Colfe's Leisure Centre

November 2016 to September 2019

Support my ASA qualified Level 2 to prepare for and deliver each session for ages 3- 16,

- Ensure that the poolside is safe during and after every session in line with the health and safety policy.
- Encourage and support the children into stretching their confidence in the water and perfect their techniques on each stroke throughout each lesson.
- Improve my confidence that can easily be transferred to leadership roles
- Learnt how to effectively work together with my Level 2 teacher/s and other members of staff

### **Work Experience Student**

University of Greenwich - Greenwich

February 2018 to February 2018

Learnt how to code in Object-Oriented Java

- Learnt the Conditionals and Control flow involved in programming in Java
- Observed how the team worked together to produce different projects. E.g. the student database that was linked to the app to relay information on changes in their lectures and any relevant updates

### **Retail Assistant**

Peacocks - Thamesmead

June 2016 to September 2016

## **Tutor**

Kumon Thamesmead - Thamesmead

October 2014 to November 2015

The Kumon Maths and English study programs enable students of all ages and abilities to achieve.

- My roles were to teach Maths and English to children between the ages of 3-7 yrs old as well as in the beginning, marking and organising the children's homework.
- Whilst working here, I have learnt how to work my way up to a better job and how to learn a scheme and how schemes can change based on the job description.
